SCHOOL ANNUAL REPORT 2023-24

"VISION WITHOUT ACTION IS MERELY A DREAM
ACTION WITHOUT VISION PASSES THE TIME
VISION WITH ACTION CHANGES THE LIVES."

Spread in this lush green and pollution-free environment of 16 acres. We launched ourselves on the 9th of March 2017.

our first batch had 116 children and 15 teachers.

When we placed our first notice board, our first tree plantation, and set up our smart board, it is still so vividly fresh in our memories.

I am often asked the question what makes a good school?

Is it the teachers, or is it the students, or is it the curriculum or the facilities, the principal, or the parents?

The obvious answer is of course the combination of all these. And yes, the answer may be different for each school.

Schools are categorized on the McKinsey scale

-----poor to fair, -----Fair to good, -----good to great and -----great to excellent.

To steadily go from well to great and too excellent requires a carefully engineered road map with clearly defined procedures and processes taking all stakeholders with a shared vision.

At Shiksha Shikhar, we create a challenging environment where young children have the confidence to learn and the freedom to innovate, where they can discover what matters to them and realize their potential for the coming years.

We want our children to be curious, amazed, and adventurous.

The largest school in the town Shiksha Shikhar is equipped with world-class infrastructure,

a huge sports complex, outdoor sports fields, labs for all disciplines, a Well-equipped Library, And an Artificial intelligence lab.

THE ARTIFICIAL INTELLIGENCE LABORATORY

was inaugurated on 21st October 2023 by Brig. A. Shridhar.

Artificial intelligence is the science of making machines that can think like humans.

At Shiksha Shikhar, we are providing a platform for our students to explore and learn new technologies.

It is indeed a place where health and hygiene, safety, and vigilance for every child are always monitored.

The good governess and individual learning plans say that we care, and we want to change the" I can't to I can"

Assessment of students learning is an ongoing process, and reviewing, rewards-building skills in teachers and principals is an ongoing process too.

Children here at Shiksha Shikhar pour over puzzles, brainteasers, tricks, unforgettable handson projects, storytelling, Shlok recitation, poem recitation, quizzes, e- class, evacuation drills, celebration of national and religious festivals, celebration of important days, crafts, Swatch Abhiyan, gardening, dance, music, yoga, Olympiad, field trips, etiquette workshop, life skill workshops, and sports.

The celebration of Hindi Diwas was done on 14th September 2023. The chief guest of the day was Hon. High Court Judge Mr. Umesh Chandra ji Maheshwari. The program is based on Hindi Kal Aaj aur Kal.

I believe our children will learn that there is a lot that they must know to be a part of the coming years.

EXHIBITION

In-house exhibition was conducted by students of grades first to eleventh. The exhibition featured science, math, language, Artificial intelligence projects, and experiments.

They will learn in an atmosphere where we will never diminish the dignity of a child.

This school has a dream to make a positive difference in the lives we touch.

We would be so happy if our students would be top lawyers, doctors, singers, sportspeople, and overall good human beings.

A word for the parents who have entrusted the apple of their eye to us. They are in good hands.

The warm friendly stipulating environment of Shiksha Shikhar will be a place where your child will love to come and be a part of the family always.

If, what we teach has nothing to do with the health and happiness of a child his sanity and survival, what then is our education worth?

Children are our strength and inspiration.

We trust that we will send into this world children who are compassionate and sensitive with a strong sense of self-worth.

FACULTIES

We have a team of highly qualified, experienced, and professionally trained mentors to guide our students who are always ready and eager to help them in their overall development. School takes proper care of sharpening our tools from time to time. Training and workshops are organized by CBSE and different educators and experts, to upgrade their knowledge.

CELEBRATIONS

Here we celebrate all religious and National festivals.

FELICITATION CEREMONY

SPORTS

It has been shown that participating in sports can assist in preventing children from being overweight or obese, which can result in various health issues. Participation in sports allows for the development of collaborative abilities, self-confidence, and social skills.

We have Indoor and Outdoor sports for our children with more than 25 sports.

Indoor sports including Carrom, Chess, Skipping, Billiards, Table

- Tennis, Squash, Martial Arts, Shooting, Gymnastics, Badminton, etc.

Outdoor sports - Basketball, Football, Volleyball, Cricket, Kho-Kho, Kabaddi, etc.

We have collaborated with Mr. Pullela Gopichand Gurukul Academy Hyderabad for better coaching in badminton. We have experienced and certified coaches for our children.

Chief Guest: Mr. Vinod Rathore (S.D.M. Mhow) and
Mrs. Isabel Swamy (chairperson Sahodaya
School Indore)

SOME GLIMPSE OF SHIKHAROTSAV

Theme "Save Blue Go Green"

ACADEMICS

"Learning gives creativity, creativity leads to thinking, thinking provides knowledge and knowledge makes you great"

The year 2023 commenced on a wonderful note when the results of our 10th class CBSE Board Examination came out.

We are happy to share the details of the commendable performances of our students, and we are happy to announce that Shiksha Shikhar attained 100% result.

Excellence in academics is the hallmark of any good institution and the class 10th result of the school proves without any doubt that our students made us proud.

None of these achievements would have been possible without the single-minded commitment and dedicated care of our teachers.

We are also constantly encouraged by parents and well-wishers who have shown much confidence and given their fullest support.

I wish to acknowledge the efforts and guidance of our management as their collaboration and contributions have made a difference.

We are still not satisfied with this result. We are aiming for the number one slot and have adopted various measures to achieve our goal.

Finally, as I wind up my report, I would like to thank God and everyone attached to this school for making this session yet another successful session for Shiksha Shikhar. The Board of Directors for their consistent support and dedication to taking Shiksha Shikhar ahead. The teachers and staff for their sincere hard work and commitment to making curriculum and co-curriculum so efficient and successful. Prefects and students, for the responsibilities and the obedience in keeping up the regulations of the school and discipline. The parents, for keeping faith in us and for kind cooperation, encouragement, and moral support to the school.

Shiksha Shikhar can improve with God's grace and continuous efforts.

Thanks
